Review of Previous Meeting's Minutes:

Reviewed these with the council

School Attendance Policy:

-Handed out a paper showing our monthly attendance.

-Average number of classes with 100% attendance (in the month) is between 2-3 classes

CSIP/LAND Trust

-DIBELS testing will be done in the next few weeks and then the CSIP plan can start to be written.

-We will have those scores by our next SCC meeting

-We would like to keep the tier 2 aides

Cell Tower Budget

Professional Development Information

Policy Review

Safety Drills:

We are continuing to do our monthly safety drills.

Other Points of Business:**-Cold Temperatures/Inversion**

- 22 degrees or above then the students will be out for recess
- Bad air: if it's a red air day then the students will be kept inside. Orange days: students with asthma will stay in from recess.

-Input for new dress code

-Reviewed the new dress code attire and gave each member of the SCC a copy of the dress code. The members of the SCC will take this home and think it over. If they have any feedback they will report back to the SCC.

-Delese has some concerns about the new dress code. Her thoughts are: It's a legal document. We need to view it that way. How will it protect our administrators and teachers? I don't think there is a precedent established in a school's favor at this point to clarify the gray areas and with sexual harassment, and with more teachers getting accused, I feel like there needs to be more specific language for them to point to.

-We are ok with students being able to wear hats in school

-School Performance Report card:

ELA: 70.9%

Math: 79.3%

Science: 77.5%

We scored exemplary in achievement and growth categories. We scored "Typical" in English Learner Progression.
