Review of Previous Meeting's Minutes:

CSIP

- We completed our winter DIBELS and the scores are looking good.
- Canyons district has only been looking at the fluency score, but the state looks at the composite score
- In the classrooms we have been working on our comprehension. One way is asking the child to retell what they just read after one minute progress monitoring reads.
- We are going to start progress monitoring for reading comprehension.
- Suggestion:

Cell Tower Budget

- We would like to pay for the tier 2 aids to attend some professional development

Professional Development Information

- Achievement coach has been going into classrooms to model Close Reading instruction in small group instruction.

-Teachers are working on doing a better job at stating learning objectives and explaining these to students so they know what the end goal is and how they will get there, as well as how they will know if they are successful.

-Susan Henrie is coming tomorrow to do a professional development for teachers on phonemic awareness.

Policy Review

-Attendance, we need help from parents with attendance.

-We discussed the Law and what it states: missing 10% of school is considered chronic

-Our school has 10 students who are "off-track"-meaning they are at risk.

-Perfect attendance month-monthly

Safety Drills:

-We have completed all emergency drills. We are following the District's schedule for these. Shelter in place drill was completed last Friday.

Other Points of Business:

Next Meeting:

March 8, 2018
