Time Keeper: Marilyn Williams

Note Taker: Alanna Comer

Members In Attendance	
Jennifer Jolley Grant Langston Azucena Langston	Melissa Christiansen Delese Bettinson Alanna Comer Marilyn Williams
Members Not in Attendance	
Cassie King Amy Hilton	

Review of Previous Meeting's Minutes:

CSIP

- Focus on reading and math-using DIBELS testing for this for K-3rd and 4th-5th will use the SRI
- Our goal on the CSIP has been set for 86% for K-3rd. For 4th-5th grade it has been set for 64%
- Teachers are pushing all the students to make growth
- 4 reading aides, 2 math aides, and one enrichment aide
- Drama or music grant for brain boosters
- Reviewed the CSIP as a SCC team and signed off on the form

Cell Tower Budget

- Everything has been approved from the last meeting
- We will fund an enrichment specialist to work with students during ELA center time to provide students with the opportunity to extend their learning through research projects and presentations, \$5,000
- Approval of extra supply money for instructional materials for classrooms.
- Professional development for teachers to attend conferences and for visits to other classrooms with the achievement coach.

- Technology labs \$10,000

Professional Development Information

- This was approved at the last meeting

Other Points of Business:

- Supplemental Kindergarten: 15 who have put Willow Canyon as a first choice and 8 who put it as a second choice.
- Dr Silcox, who donated water bottles for a Fun Run, is willing to do a skate night. Could there be a reading kick-off. Do a skate night night to kick it off and then a skate night next year as a reward for reaching a reading goal set by the school.
- June 1st
- Geography: instead of creating a new brain booster through the district we will look into fitting this in to enrichment opportunities
 - Steve Wrigley liked the idea of this as a brain booster option, especially district wide.
 - We could do a school wide geography enrichment program
 -

Next Meeting:

April 27th
