Principal's Monday Minute

Dear Parents and Guardians:

We are very proud of the work students have done this year and the growth they have made. Our teachers are amazing; they work hard and have been focused on every child being successful. It's been a great school year.

Thank you so much for the great support you have provided us, we value this partnership and it's importance for your children.

I left the schedule for meeting next year's teacher in this week's Monday Minute so you do not have to search for it. We look forward to seeing you!
