Dear Parents and Guardians:

Around Willow Canyon

Teacher of the year award! It's very difficult to choose one teacher, they all work hard and do a great job! The link for writing a nomination is below. Please turn these into me by Friday, February 2nd.

Salt Lake and Utah Counties have been hit with a hepatitis A outbreak. There have been more than 130 people reported as infected. We are trying to be proactive in Canyons District with regard to the hepatitis A outbreak. The District is planning to cover the full cost for all nutrition services employees to be immunized.

Darlene Jenkins, our Cafeteria Manager, does a great job with student breakfasts, lunches, and running the kitchen. She is very aware of these types of issues and follows up with hand washing and keeping the kitchen very clean and in good repair. There have been news reports about this issue so I wanted to make sure you have this information and know what is happening here at school. Keven Ray is the district's risk management coordinator. We appreciate his action to help us keep our students safe.

We are excited to have the **book fair** again this year during parent, teacher conferences. The link below will take you to information about Willow Canyon's book fair. This also works as a cut and paste into the web address box.

Our focus for the month is having a positive attitude. We will be learning about this during the month and encouraging the students to maintain a positive attitude, even when school work is hard. Learning new concepts can be challenging and very rewarding. Providing encouragement at home helps students build confidence and maintain a positive attitude about their studies. Thank you for everything you do to support your children here at school and at

home.

Winter Information from Canyons School District

SNOW DAYS: If the forecast holds, wintry weather is expected to roll into Salt Lake this week

the end of preparing our community for snow storms, here is a guide to how Canyons District communicate information about cancelled or delayed-start days as a result of dangerous travel conditions during the frigid months. Please remember: Unless extreme weather creates unsafe traveling conditions, schools operating under the Canyons District umbrella will remain open on scheduled school days.

Why keep schools open during snowstorms? Our 34,000 students count on us to deliver a quality education in a safe, welcoming environment. Unscheduled school closures disrupt learning and place a burden on parents who work full time and can't easily be home to supervise their children. Neighborhood schools also are a primary source of breakfast and lunch for many of our students.

What if I'd prefer to keep my child home? While school-closure decisions will be made in the best interest of a school community, the District respects the rights of parents and guardians to decide what's best for children in their care.

How will I know if school is canceled or delayed? Canyons District has established the following communications policies in the event of a school closure:

Announcements and information: Canyons District will employ its website, the Skylert emergency-communication system, and [Facebook](#) and Twitter (@canyonsdistrict) to alert parents about school closures. Parents and employees should listen to Wasatch Front radio and television stations for school-closure information.

What we will tell you: The District will communicate one of three messages: 1) Day and date a school is closed; 2) Day and date a school is starting late; 3) and day and date schools will be dismissed.

Telephones: Families are encouraged to call the District Office at 801-826-5000 for the latest decisions on school closures due to inclement weather. Please be patient, as the District Office may experience a high volume of phone calls on these days. Parents also may call their child's school.

Who will make the announcement: School closures will be announced when authorized by the Canyons Superintendent of Schools or his designee after consulting with senior staff members. The [National Weather Service](#) and other state, county and city agencies also may be consulted.

Closures are for one day only: All announcements are for one day only. *No announcement means schools will be open and operate as usual.*

Emergency plans: Families are encouraged to establish an emergency plan for their children in the event that schools are closed, have a delayed start or dismissed early. Parents are urged to instruct their children where to go or what

to do if a parent is not at home.

Bus stops: Parents are asked to meet their children at bus stops when buses are running on delayed or emergency schedules.

Make-up days: Days lost because of inclement weather are made up on Washington and Lincoln Day Recess days or during Spring Recess.
