Dear Parents and Guardians:

Around Willow Canyon

We are looking forward to **Career/Tool Day**. If you are participating, plan on being at the school from 8:00 AM until 9:50 AM. The students can dress up in the clothes of their chosen profession on Career/Tool Day. Thank you in advance, we always have a lot of parents representing a variety of jobs on Career Day. It's a fun morning, we are looking forward to it!

Playworks/PE

We are having a fun year in PE/Brain Boosters this year learning new skills and games. As the weather turns colder, children will want to wear their boots and coats to keep warm during recess. Please encourage your children to bring a pair of gym shoes on their Brain Booster day.

- **Tuesday, Kindergarten and 1st grade**
- **Wednesday, 2nd grade, 5th grade, and Extended Core**
- **Thursday, 3rd grade and 4th grade**

We will be playing games in the next few months where the **children will be running and boots can hinder safety while running**. We have been working on Basketball the last few weeks. If your child has an opportunity to practice dribbling, passing and shooting the basketball, please encourage their success in practicing what they have learned. During December we will be learning new tag games the children can play on the playground and with friends. Please help promote kindness, inclusion, and safety when your kids are playing with others. You have fabulous children and we want to keep them safe and healthy so they can play all winter long.

The link below takes you to the CSD website and information about heavy snow days and possible school schedule changes due to dangerous storm conditions.

The character trait for the month is being safe. When we consider being safe at school we talk about two characteristics of the term. First, the most obvious characteristic of being safe with winter weather and storms coming, is for students to be dressed for the weather and be careful outside when there's snow and ice. The other characteristic of being safe is being kind to others. When we are mean or treat others in an angry or hurtful way they do not feel safe at school. Everyone should feel safe at school. It is easier to focus on school work if students feel safe and aren't distracted by mean behavior. Our definition of being safe at Willow Canyon is... we behave in a way that keeps us and those around us from being harmed. We do not do things that could injure someone or damage property.

Canyons District Special Education Department works with the **Utah Parent Center** to provide parents with resources and information. We have a school representative, Casie King, who attends meetings and forwards information to us. The link below is to the Utah Parent Center. They are a great resource. You can check this link for monthly information.

Winter Information from Canyons School District

SNOW DAYS: If the forecast holds, wintry weather is expected to roll into Salt Lake this week the end of preparing our community for snow storms, here is a guide to how Canyons District communicate information about cancelled or delayed-start days as a result of dangerous travel conditions during the frigid months. Please remember: Unless extreme weather creates unsafe traveling conditions, schools operating under the Canyons District umbrella will remain open scheduled school days.

Why keep schools open during snowstorms? Our 34,000 students count on us to deliver a quality education in a safe, welcoming environment. Unscheduled school closures disrupt learning and place a burden on parents who work full time and can't easily be home to supervise their children. Neighborhood schools also are a primary source of breakfast and lunch for many of our students.

What if I'd prefer to keep my child home? While school-closure decisions will be made in the best interest of a school community, the District respects the rights of parents and guardians to decide what's best for children in their care.

How will I know if school is canceled or delayed? Canyons District has established the following communications policies in the event of a school closure:

Announcements and information: Canyons District will employ its website, the Skylert emergency-communication system, and [Facebook](#) and Twitter (@canyonsdistrict) to alert parents about school closures. Parents and employees should listen to Wasatch Front radio and television stations for school-closure information.

What we will tell you: The District will communicate one of three messages: 1) Day and date a school is closed; 2) Day and date a school is starting late; 3) and day and date schools will be dismissed.

Telephones: Families are encouraged to call the District Office at 801-826-5000 for the latest decisions on school closures due to inclement weather. Please be patient, as the District Office may experience a high volume of phone calls on these days. Parents also may call their child's school.

Who will make the announcement: School closures will be announced when authorized by the Canyons Superintendent of Schools or his designee after consulting with senior staff members. The [National Weather Service](#) and other state, county and city agencies also may be consulted.

Closures are for one day only: All announcements are for one day only. *No announcement means schools will be open and operate as usual.*

Emergency plans: Families are encouraged to establish an emergency plan for their children in the event that schools are closed, have a delayed start or dismissed early. Parents are urged to instruct their children where to go or what to do if a parent is not at home.

Bus stops: Parents are asked to meet their children at bus stops when buses are running on delayed or emergency schedules.

Make-up days: Days lost because of inclement weather are made up on Washington and Lincoln Day Recess days or during Spring Recess.
