**Review of Previous Meeting’s Minutes:**

**Training at the District Office for SCC members:**

Report who has been trained-

**Land Trust Report (current and last year):**

- Handed out and reviewed the land trust-final report
  - Parents approved the way we are spending the money

**Other Business**

**Math Facts-**

- Parents are interested in having multiplication facts introduced to students as early as 2nd grade. Maybe 2nd grade can introduce multiplication facts towards the last half of the year to help them in the future years.

**Lunch-**

- Calls are happening too often over very small amounts of money. Putting information about free and reduced lunch options.

**CSIP**

## **Cell Tower Budget**

## **Professional Development Information**

## **SCC Budget-money to pay for data entry**

## **Bell Schedule**

- Reviewed with the team-also looked at feeder junior high and High school
- Parents Response: whatever works for the district, saves the most and is most efficient works for them-as long as it's only a few minutes.
- One concern: junior high students and elementary students walking home at the same time could have some bully/behavior issues. If this was an issue the principals would work closely to fix the problems
- Another consideration: Traffic will be affected if Willow Canyon and Eastmont are getting out around the same time
- Third Concern: If there is a change in bell schedule we will need to notify the private schools around us

## **Digital Citizenship Plan**

## **Time Study**

### **Drop off and Pick up:**

- Discussed concerns about parents pulling into faculty parking lot to get students
- Discussed option of using the LDS church bldg. parking lot

## **CSD Mission Statement**

- Reviewed the Mission statement
- Discussed the pros to having school social media accounts and how it is being successful and people are watching.

## **Approval of Meeting Minutes:**
