**Digital Citizenship Plan**

We discussed the information from the district and the school's information. We focus on being good digital citizens at school. There is a monthly message we discuss in classes to help us learn about being safe on the internet. We are having two White Ribbon Weeks this year. We had one in October and will have another one the week CSD has White Ribbon Week district wide. We teach the students to never give out personal information and tell a trusted adult if there is something they see or read that is upsetting or confusing. We also teach them to be kind and only say good things about friends and family.

**Professional Development Information**

**Policy Review**

**Safety Plan:**

Every year we are required to update a safety plan that is practiced regularly by having safety drills. This plan is followed and kept current with any personnel changes or other concerns we have discussed in safety meetings. The information the SCC looked at was on the CSD website with a lot of very good information to consider for school safety. Officer J. South from the Sandy City Police Department is assigned to Willow Canyon to help us with safety issues. She has been very helpful with ideas for the daily drop off and pick up of students and any other safety concerns or questions we have. We are continuing to have safety drills this year so that we stay in practice. Also, we are following the COVID-19 precautions on the district's plan and our school's plan.
